FRIDAY

Relaxing with like minds.

"The vision for the 21st century cities must be to be the most imaginative cities for the world rather than in the world. This one change of word - from *in* to *for* - gives city-making an ethical foundation and value base. It helps cities become places of solidarity where the relations between individual, the group, outsiders to the city and the planet are in better alignment." - Charles Landry

5PM

Please join us for dinner at [Goode Co. Taqueria](#), where they serve the best margarita's in town! Located at 4902 Kirby Dr. 77098.
